Venice Italy...Special Destination

Unlike any other world destination, Venice Italy is a place unto itself! If you have always wanted to visit Venice...but were afraid of the logistics and general confusion of where to go, what to do and how to navigate this extraordinary city...your wait is OVER.

With years of Venice Experience, it would be a pleasure to create your custom EFW Venice package with everything you need... to have one of the most fabulous vacations of your lifetime. Day 1...Sample Itinerary Page (Venice, Italy)

After settling into your Hotel...with a bit of food, naps and showers...plan to arrive at The Gritti Palace...for Cocktails before dinner: short ride or walk from your Hotel. I will provide directions...once you choose a hotel.

6:00 pm: Cocktails at the Gritti Palace Mapguide B

From your Vaporetto Stop: Take Vap # 1

Get off at the stop: Giglio. Walk straight down the narrow path.

Turn right and find the Gritti Palace Hotel right on the water.

Mapguide B area San Marco.

Walk straight thru the lobby onto the floating deck. Directly overlooking the Grand Canal, with an incomparable view of Venice, the Palace of the Doge Gritti is now one of the most celebrated hotels in the world.

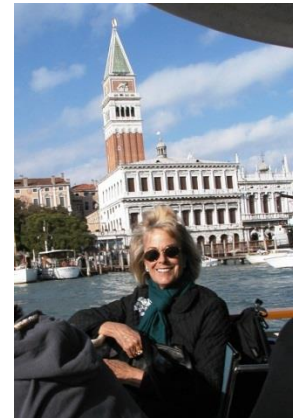

Commissioned in 1525 as the residence of the Doge of Venice, Andrea Gritti, the Gritti Palace was later used as the official residence of the Vatican's ambassadors to Venice.

A bit of history: The Hotel Gritti Palace continues to attract elite guests, with luxuriously appointed rooms, attentive service, and the savory cuisine of the Restaurant Club del Doge. Ernest Hemingway once appreciated the hotel "as the best hotel in a city of great hotels." The Hotel is a splendid little Palazzo that preserves within its walls stories of illustrious visitors such as the British Royal Family, the Duke of Windsor, Princes of Monaco, and Hollywood Stars.

Daughter Brinley and I used to love to "cocktail" in the Gritti Bar (Marble...so grand) on cold winter nights in January when Venice was covered with glorious snow! But in mild weather you can be sitting on this floating deck taking in all the sights and sounds of Venezia!...before moving onto Dinner elsewhere.

Day 1...Sample Itinerary Page

After enjoying The Gritti...plan to leave at 7:15 pm to go onto dinner...10-20 minute trip from the Giglio Vap Stop.

Take #1 Vap toward Rialto and get off in 1 stop at the Accademia Stop. As you exit the boat, turn left and then an immediate right onto Rio Terra Foscari...walk straight thru to the dead end on Fondamenta Zattere. When you dead end onto the water, turn right and stroll along the waterside (water on your left) until you arrive at the restaurant...about a 10 minute walk. Mapguide B area Dorsoduro

8:00 pm: Dinner Ristorante Riviera Mapguide B & C

For many years this has been 1 of our favorite restaurants with superb food and service...run by an American female chef and her Venetian husband. Now under new management it still has yet another spectacular view. ..and some very nice Venetian dishes. It's Waterside Dining overlooking the Giudecca Canal...another spectacular water view. Makes a lovely evening!

After Dinner retrace your steps back to the Accademia Vap Stop. Take #1 Vap toward your Vap Stop.

ETW Reviews

“...Even though we have traveled most of the world, we had never had such wonderful and detailed arrangements as we had on this last ETW vacation. On many occasions, we have had good trips in the past but often have had to deal with those irksome disappointments and misunderstandings that come from poor planning. When you plan with Brenda Harmeling, nothing is left to chance and all of the reservations and accommodations are impeccably booked and managed. Treat yourself to a splendid trip with ETW!” S.M. Miami, FL

“We are still shocked at the incredible airfares that we were able to get through ETW. Just one example was our recent 1st Class/Business fare to Athens which was currently posted at \$7,800.00+ which we got at just \$2,400.00 per person-round trip. The trick is to let ETW be your guide...they know when and how to book for the absolute best fares!”

K.W. Jacksonville, FL

“My wife and I had planned a very special trip... for our “Babymoon”. We were dazzled when we received our Travel Package from ETW with its amazing details, photos and reservations suggestions...all precisely planned for a fabulous trip! In our package, we were directed to “stroll to our restaurant” on one of our evenings. My wife said that the restaurant was so close that we need not hurry. I explained that our directions said that we were to “stroll”...and so we “must” and we did...taking in each and every sight and sound along the way...loving every step. I like a trip where nothing is left to chance and on this trip nothing was...Every element is a “delight”! ETW is 1st Class!

M.S. Austin, TX.

“It's really hard to know where to start in describing how very helpful our travel package of information was for us. Elegant Travel planned our last 3 trips: Rome, Venice and Paris...including the Orient Express and we loved the completeness of the arrangements...everything customized for us and it was a great pleasure to use our guide of detailed daily itineraries throughout our journeys. You will not find better travel services anywhere else”
